## Membership in the Friends of the Sultan Library

The Friends of the Sultan Library is a non-profit, volunteer organization providing essential support to our local library. Often, the Friends are asked to furnish those items which fall outside the established budgets of the city or the Sno-Isle Regional Library System.

Obtain personal satisfaction by seeing the library improve and sharing your abilities for the good of the library. Whether your decision to join the Friends of the Sultan Library is made because you want to be actively involved or because you'd like to support the library through monetary contributions, your help is needed.

The Friends of the Sultan Library

meet:

The third Thursday  
of every other month

September - May

10:00 am

in the Sultan Community Center

Meeting Room

Everyone needs a Friend...

And your local library  
is no exception.

Fund-raising activities include semi-annual and on-going book sales, copy machine use, membership and other contributions and memorials.

Funding by the Friends provides:

- Children's programs: craft supplies, storytellers, performers
- Community programs
- Prizes for summer reading programs
- Polaroid camera and film for library use
- Copy machine maintenance and supplies
- Special requests of library staff
- \$1000 scholarship for a high school senior
